RE: Request to waive Hearing to Docket No. 2019-189-WS: Application of JACABB Utilities, LLC to request to establish sewer pass-through rates for JACABB Utilities, LLC and approval of a Water Systems and Sanitary Sewerage Asset Purchase Agreement with Triangle Real Estate to serve Rosewood at Clemson Development in City of Clemson, South Carolina

Dear Ms. Boyd:

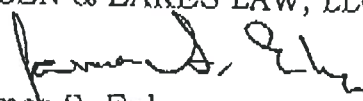

In its application file in the above-referenced docket, JACABB Utilities, LLC requested that the hearing be waived if no intervention was filed by the deadline.

In the Notice of Filing and Hearing and Profiled Testimony Deadlines, any person wishing to participate in this matter was to file a Petition to Intervene on or before August 26, 2019. No petitions to intervene have been filed or served as of September 5, 2019.

The Applicant requests that the Commission grant its request to waive the hearing in the above-referenced matter since no intervention has been filed and the deadline to file has passed. Furthermore, there are no current customers as this development consists of apartments under construction for student housing which is not complete, nor ready for occupancy by tenants.

If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely yours,
ALLEN & EAKES LAW, LLC
